Health Center Sliding Scale

The Health Center of Helping Hands, though a non-profit, is not a free clinic and must charge for services in order to continue serving its patients.

Fees for services are significantly lower than those charged by private practices, urgent care clinics or emergency rooms. If patients are unable to pay these basic charges, they may qualify for services at lower rates.

The Sliding Scale program is designed to temporarily assist Rockwall County residents with costs of medical needs during times of hardship.

Who qualifies?

A Sliding Scale for office visit costs is available to residents of Rockwall County whose income falls at or below the following levels:

Family Size	Total Monthly Income
1	\$1,815
2	\$2,452
3	\$3,088
4	\$3,725
5	\$4,362
6	\$4,998
