Will YOU become a Monthly Donor?

40 years of Service thanks to YOUR support...help continue the Good Works!

We appreciate your Thrift Store and Food Pantry donations. While the Thrift Store and Boutique sales account for more than 40% of the agency's annual income, that doesn't cover all that's needed to assist clients. Helping Hands depends on the extra funding from our natural base of support - local residents and businesses.

Help us continue to be the community's safety net and lend a hand up for our neighbors experiencing a crisis. The client assistance interviewers with Helping Hands have the privilege of seeing your donations hard at work each week, turning tears of despair into tears of hope and joy as families are assisted out of crisis situations. We wish we could share pictures and the 1000's of stories we encounter. If you will join us in becoming a \$20 recurring monthly donor to Rockwall Helping Hands, you can trust that we will continue to responsibly assess and assist with needs in our community!

Your one-time or monthly gift can make all the difference... to our Food Pantry, to our

Emergency Assistance program, to our Health Center - and to struggling families.

Mail your check to PO Box 375, Rockwall, Texas 75087 or online by clicking the Donate Now Button.
