Health Center of Helping Hands

- We offer family centered, primary care for men, women and children of all ages.
- There are no income or residence requirements for patients to receive care at the Health Center of Helping Hands. Office visits are \$50 for established patients.
- We offer an income based Sliding Scale program for Rockwall County residents that are unable to pay our medical fees.
- Health Maintenance Plans are available to all patients for \$305 - which includes basic health coverage, labs, and flu shots for a year.
- Appointments are preferred and recommended. We open weekdays at 7:30 am. Some Saturday appointments are available.
