

A NOTE FROM THE PRESIDENT

Every year this community comes together for a common vision to ensure Rockwall Helping Hands mission is met. You provided hope, support, and a path to a better life for struggling families.

This Impact Report will give you a glimpse into the ways you have transformed lives, as well as show how Helping Hands has maintained a commitment to being good stewards of your financial resources. Your generosity went toward feeding the hungry, providing emergency assistance to those at risk of losing utilities or housing and medical care to those without a medical home here in Rockwall County.

Thank you for your commitment and compassion you've shown over the last 47 years and thank you for making a difference in the lives of those less fortunate.

Sincerely,
Jon Bailey, President & CEO
